Profile Summary

As a skilled professional with comprehensive knowledge in Data Science, Natural Language Processing, and Soft Skills, I have completed numerous certifications in Python, SQL, and Cybersecurity. With a strong academic background in HSC (84.4%) from CBSE, I possess adept skills in Data Entry, MS Office, Excel, Python, and MySQL. My internship experiences have honed my abilities in applying theoretical knowledge to real-world scenarios, enabling me to deliver tangible results. I am eager to leverage my skills and academic foundation to contribute effectively to a dynamic work environment and further enhance my capabilities in the field of data science and analytics.
